Senior/Junior Yearling Pregnancy Rule for exhibitors at all Open shows: If a Purebred Female has a ShorthornPlus calf at side, it is not eligible for the Purebred Shorthorn Show, however it is eligible for the ShorthornPlus show if such show is available. All females 20 months old at the time of the show need to be a 60 day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the show and are subject to a blood test to prove pregnancy. Exhibitors may be asked to present said verification upon the request of the Show officials or ASA representatives. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site, and verify a 60-day pregnancy. Any infractions against this rule will lead to disqualification of that animal for that specific show.

Bull Classes- Entry in this show binds the exhibitors to all regulations pertaining thereto.
