

Dairy Judging Open Team Contest

Division 249

Premiums Offered \$0

The Dairy Judging Open Team Contest is open to any chapter in East, Middle, and West Tennessee FFA regions. Teams must register with the State Fair to be eligible for award ribbons, and should also register through www.judgingcard.com. Each chapter may enter one team with no less than one and no more than four members. Each team will judge each Division from afar—they will not be given the opportunity for up close inspection. One placing card will be used per team (use the appropriate [judging card.com](http://judgingcard.com) scan sheet); no reasons will be given. Teammates can discuss the placing with one another; however, teams cannot consult with other teams. A multiple-choice test will also be given to be complete as a team.

Class 01. Dairy Judging Open Team Contest
